# Why?

"It's really the Drupal community and not so much the software that makes the Drupal project what it is. So fostering the Drupal community is actually more important than just managing the code base."

- Dries Buytaert

# Our tools

- ▶ Communication tools
  - Community websites
  - Issue queues
  - IRC
- ▶ Local development environment
  - AMP stack
  - Git

## Sites Made with Drupal

The screenshot shows the homepage of the National September 11 Memorial & Museum. The top navigation bar includes links for Newsroom, About Us, For 9/11 Families, Images + Videos, The Memo Blog, Museum Shop, and Exit. Below the navigation is a large banner for the 9/11 Memorial, featuring a person at a memorial plaque and the American flag. The banner text reads: "Visit the 9/11 Memorial" and "Teaching 9/11". Below the banner are four smaller cards: "TOP 8 MEMORIALS", "EXPLORE", "LEARN", and "THE MEMO BLOG". The "TOP 8 MEMORIALS" card has a link to "For 9/11 Families". The "EXPLORE" card has a link to "Memorial Guide". The "LEARN" card has a link to "Recovery Timeline". The "THE MEMO BLOG" card has a link to "Stars & Stripes: A 9/11 Tribute".

## Documentation Team Leadership Change

Posted by [jhodgdon](#) on July 18, 2012 at 5:54pm

A little over 18 months ago, Ariane K. and I started our tenure as co-leaders of the Drupal Documentation Team. We spent a lot of time working on organization, design, processes, and tools to make it easier for Drupalists to contribute to and use Drupal documentation, and I'm very proud of the many improvements we were able to make (of course, with the help of lots of other contributors!) during that time.

The screenshot shows the Drupal.org login page. At the top, there is a navigation bar with links: Get Started, Community, Documentation, Support, Download & Extend, Marketplace, and About. Below the navigation bar, the word "Drupal™" is displayed in large white letters. To the right of the logo is a search bar with the placeholder "Search drupal.org" and a green "Search" button. Below the search bar, there are links for "Drupal Homepage" and "Log in / Register". A "Refine your search ▾" link is also present. The main content area has a heading "User account" and three buttons: "Create new account", "Log in" (which is highlighted in green), and "Request new password". Below these buttons are two input fields: one for "Username:" with a placeholder "Enter your drupal.org username." and another for "Password:" with a placeholder "Enter the password that accompanies your username.". At the bottom left is a "Log in" button. The overall background is light blue.
